FIRST ANNUAL REPORT OF THE MISSISSIPPI RAPIDS BLUFF PARK ASSOCIATION.

*To the Bishop and Members of the Iowa Annual Conference of the
M. E. Church:*

DEAR FATHERS AND BRETHREN:—The Board of Trustees appointed by the last session of this Conference, held in the City of Burlington, “for the purpose of receiving and holding any suitable site on the Mississippi Rapids, and any means that may be donated for the improvement of said grounds, and to expend the same in fitting up said grounds preparatory to the holding of a grand Centennial Camp-Meeting at said place some time during the coming season, and to do such acts as they may deem necessary to carry into effect the object herein contemplated” would submit this their first annual report.

On the 24th day of September last the Trustees met in the city of Keokuk and incorporated by adopting the following articles, to-wit:

Gibbs, all citizens and residents of the State of Iowa, by this instrument constitute themselves and their successors as hereinafter stated a Body Corporate to be known as the Mississippi Rapids Bluff Park Association.

1st. The object of this corporation shall be to receive by donation, purchase or otherwise, suitable grounds on or near the Mississippi River in Lee county, Iowa, for the purpose of establishing and arranging by suitable improvements a permanent place for holding Camp Meetings, Sunday School Assemblies and such other assemblies or conventions as the Board of Trustees may determine, for the advancement of religion, temperance, literature and science.

2nd. The corporation shall be controlled by a Board of Trustees consisting of nine persons, and said Board shall be elected by the Iowa Conference of the Methodist Episcopal Church at its annual session,

(The persons above named shall constitute the Board of Trustees for the year ending Oct. 1st. A. D. 1884.)

3rd. Said Board of Trustees and their successors in office shall hold the title to all real estate or personal property purchased or donated or obtained in any other way that may be necessary for the purposes contemplated, and shall hold the title in trust for the Iowa Conference of the Methodist Episcopal Church, and such other Conferences as shall join in this enterprise under article second.

8th. This corporation may issue stock to carry out the corporation purpose.

Signed by us this 24th day of September, 1883.

J. T. Simmons,	Thos. E. Corkhill,	Jas. A. Lee,
C. F. Williams,	Samuel M. Clark,	R. T. Root,
Wm. Price,	E. A. Gibbs,	J. W. McDonald.

Under these articles of incorporation the Board elected officers as follows:

Thos. E. Corkhill, President.
C. F. Williams, Secretary.
J. A. Lee, Treasurer.

They also adopted a set of by-laws, fixing the times of the meeting of the Board, and designating persons to act in the purchase of lands.

In pursuance of this there was purchased a tract of seventeen acres of land near the town of Montrose, commanding one of the finest views anywhere to be found on the whole course of the great Father of Waters. This tract cost Seven Hundred and Sixty-Eight Dollars and Twenty-Five Cents, which amount was paid by the generous liberality of the citizens of the community where the ground is located.

There was also an option taken for a thirty acre tract at a cost of Fifteen Hundred Dollars, which option will terminate January 1st, A. D. 1886.

Also a similar option taken for one hundred and ten acres, which will terminate Dec. 1st, 1884, and to cost Four Thousand Dollars.

On the 6th day of August began our Camp Meeting. Bishop Merrill arrived upon the grounds on Friday morning and remained until Monday evening. On Sunday, the 10th, the Bishop formally dedicated the grounds.

The meeting was largely attended, and was a time of great refreshing,—sinners were converted and believers built up in the most holy faith of the gospel. The membership of the church at Montrose has been more than doubled as the result, and we believe the effects will be felt and seen for many years to come.

Such was the general favor which the enterprise met, and such the attractiveness of the place itself, that we were compelled, during the progress of the meeting, in order to satisfy the people, to send for a surveyor and have a portion of the grounds laid off into lots, and sell to those who were so anxious to have a permanent place on which to erect cottages.

There were about twenty-five lots taken;—some of the purchasers will build this fall, others in the spring.

It was suggested by the last session of the Conference that adjacent Conferences be requested to join with us in this enterprise. It might be well at this session to appoint a special committee to visit those Conferences at their coming sessions, and request that they join with us in the making of this enterprise all that is desired of it.

The following is an exhibit of the financial state of the Association:

DR.

To cash received from Montrose.....	\$ 768.25
To cash from donation and sale of lots.....	542.39

CR.

By cash paid for 17 acres of land.....	\$ 768.25
By cash paid for material and labor.....	542.39
	<hr/>
	\$1,310.64 \$1,310.64

The following items are still unpaid:

For surveying and platting.....	\$ 25.00
Balance on lumber.....	13.00
Due sundry other persons.....	20.00

To meet this liability we have—

Balance of Pledges given August 10th.....	\$ 40.00
Balance unpaid from sale of lots.....	215.50
	<hr/>
	\$255.50

It will thus be seen that while our liabilities are \$58.00, our assets, which are regarded as perfectly good, are \$255.50, being \$197.50 in excess of liabilities.

And now in earnest hope that as in the past, so in the future, the special blessing of God may rest upon this enterprise, this report is respectfully submitted.

THOS. E. CORKHILL, *Pres't.*
C. F. WILLIAMS, *Sec'y.*
J. W. McDONALD,
J. T. SIMMONS.

C.—CAMP MEETING COMMITTEE.

Your Committee on Conference Camp Meeting would report—

1st. That it is with pleasure that we refer to the Camp Meeting held at Park Bluff, August 6—14, as having been a successful meeting in the conversion of a number of souls, and awakening a deeper religious interest in the community. We are led to believe that under God this Camp Meeting will prove a great blessing to South Eastern Iowa, and the adjacent regions of Illinois and Missouri.

2d. We recognize the great and efficient labors of Rev. T. E. Corkhill, Rev. J. T. Simmons, and other members of the Board of Trustees, in clearing up the grounds, making roads, erecting a pavilion, &c., and in giving direction to the services of the meeting.

3rd. We recommend correspondence with adjacent Conferences with a view of enlisting them with us in this enterprise.

4th. *Resolved*, That as members of the Iowa Conference we will endeavor to make this a place of great religious resort, and will also recommend the attendance of our people.

5th. *Resolved*, That the thanks of this Conference are due the citizens of Montrose who paid for, and generously donated to the Trustees, seventeen acres of valuable land for the purposes of this Camp Meeting.

6th. *Resolved*, That it is the sense of this Conference that those having charge of the Camp Meetings in the future should, if possible, so arrange the finances as not to interfere with the devotional services.

7th. We recommend the following persons as members of the Board of Trustees for the ensuing year: J. T. Simmons, W. Blom, E. Cooper, John Haynes, W. E. Patterson, F. H. Beck, Wm. Graham, W. G. Wilson and T. E. Corkhill.

COMMITTEE.

D.—CENTENNIAL COMMITTEE.

Your committee on the observance of the Centennial of the M. E. Church respectfully submit the following report:

In harmony with the recommendation of the Board of Bishops and of the General Conference that "the chief object of connectional offering should be the cause of education" we present to our people the claims of the Iowa Wesleyan University for a more liberal endowment, and for new and much needed buildings and other facilities for more successful work. With this object may be associated such others as the churches or individual donors may desire, or the Centennial Commission may suggest.

It is the judgment of your Committee that this centennial movement should aim at securing at least \$50,000 within the bounds of the Conference as a devout thank offering, "in grateful acknowledgment of the good hand of God upon us during the first century of our history as a church," and that in connection with the religious services which should constitute the chief feature of the celebration ample opportunity should be afforded and the duty and privilege urged upon the people of making such substantial expressions of thanksgiving.

We recommend that the Conference proceed at once to raise six thousand dollars, with the understanding that the citizens of Mt. Pleasant raise the other three thousand dollars of the debt.

With a view to the promotion of intelligence in regard to our connectional work, the awakening of devotion to our common church interests, and furthering the specific objects of our Centennial effort we advise—

1. That there be held a Centennial Convention within the bounds of each District at some time before the middle of December; such convention to be under the direction of the Presiding Elder of the district, aided by the Centennial Commission.

2. That Centennial meetings be held on every pastoral charge, under the direction of the Presiding Elder and pastor, at some time in November or December.

We recommend that subscriptions to the Iowa Wesleyan University be made payable in five installments, the first to become due Jan. 1st, 1885, and the remaining installments annually thereafter.

We further recommend the appointment of a Centennial Commission of five members, to whom shall be referred all the details of the proposed celebration, and who shall co-operate with the Presiding Elders and pastors in their district and pastoral meetings.

3. REPORT OF THE SECRETARY OF THE BOARD OF TRUSTEES.

To the Bishop and Members of the Iowa Annual Conference:

DEAR FATHERS AND BRETHREN:—In the good providence of God I have the privilege of laying before your venerable body this Thirtieth Annual Report of the Iowa Wesleyan University for the college year ending June 18th, 1884.

And in doing so we render our heartfelt gratitude to Him through whose abounding goodness and mercy the institution under your care has been permitted to enjoy another year of peace, prosperity and success.

Feeling to some degree as all similar institutions have done during the past year, the pressure owing to successive partial failures of the crops of the State, yet without serious embarrassment it has held on its way doing a grand service in the educational field.

It is not too much to say that the Faculty as it stood last year, and stands at present, is made up of persons of high culture and large experience; persons who are capable of doing most thorough work in their respective departments, and making finished scholars of those who may be trained under their care.

We regret however to report that Dr. W. J. Spaulding who for many years has been connected with the University, and for the past nine years, with great ability and success has stood at its head, as its honored President, has felt it his duty to resign his position as President and for the present retire from the work.

Although the institution has had many able and distinguished men connected with its history yet we think it may justly be said that none have rendered better or more efficient service either as a professor or president than has the retiring president, Dr. W. J. Spaulding.

The annual meeting of the Board of Trustees took place June 16, and was one of utmost cordiality and kindly feeling.

J. T. McFarland, A. M., Professor of Belles Lettres and History, was elected to fill the place made vacant by the resignation of Dr. Spaulding, and J. T. Dickinson, A. M., Professor of Mathematics, was elected Vice President of the University.

The Board also elected the following persons to the following chairs, to-wit:

C. M. Grumbling, A. M.
Prof. of Natural Science.

Miss Ella Nicholson,
Prof. of English Literature.

E. N. Kauffman,
Principal of the Academic Department.

The Board at this meeting appointed the following persons to prepare a plan for the further increase of the endowment, and submit the same to this session of the conference, to-wit, J. T. McFarland, W. F. Cowles, J. T. Hackworth and Thos. E. Corkhill.

Your Secretary deeply regrets the necessity of reporting in regard to the suggestion of last year, that if the Conference would provide for the indebtedness of the institution, and the Alumni would increase their endowment to Twenty Thousand Dollars, that the citizens of Mt. Pleasant would erect a chapel at a cost of not less than Twenty Thousand Dollars. Nothing whatever has been done in this matter, the citizens of Mt. Pleasant feeling their church was in such great need of repairs that their contributions must be directed in that channel, and have acted accordingly.

In fact in all those places where it was thought large donations might be obtained very little has been done owing to the fact that they are either building or repairing their churches or paying debts already contracted in consequence of such things, as in Ottumwa, Fairfield, Mt. Pleasant, Burlington, Keokuk and elsewhere.

We would not discourage church building or repair yet we cannot repress the thought that the Methodist church within the bounds of the Iowa Conference is at this particular juncture allowing the most favorable time she ever will have to endow her university, to pass forever beyond her reach.

It is however proper to state that the agent that was placed in the field the past year, has been most cordially welcomed and most kindly entertained by the brethren wherever he went, and whatever may yet be lacking, it is due to the members of this Conference to say that they have the past year manifested a most commendable spirit in regard to the Iowa Wesleyan University.

There were in the school during the year 218 students.

In the Senior class, 10; Junior class, 11; Sophomores, 21; Freshmen, 51; Unclassified, 22; Academical Department, 65; Conservatory of Music, 46; counted twice, 8. Total 218.

The degree of B. S. was conferred upon 10 persons; M. S. in course, 1; A. M. in course, 1; A. M. Honorary, 1; D. D. Honorary, 2; Ph. D. Honorary, 1; Mus. D., 3.

Second. That the citizens of Mt. Pleasant, not including the resident Alumni, raise \$2,000.00.

Third. That the Iowa Conference be requested to raise \$4,000.00, and no subscription shall be due, or collectable, until all the above amount is secured.

ELECTION OF TRUSTEES.

According to the provisions of the charter, the term of office for one class of trustees expires at this time, and whose places it will become the duty of this Conference to fill. Their names are as follows, to-wit: J. T. Hackworth, Chas. F. Craver, W. G. Wilson, J. W. McDonald, J. B. Blakeney, J. C. W. Coxe.

VISITORS.

It might not be improper to restate the action of the Board of Trustees taken one year ago which is as follows, to-wit:

Resolved, By the joint Board of Trustees and Visitors of the Iowa Wesleyan University, that the Iowa Annual Conference be requested to appoint eight Visitors, and that they be divided into four classes, and that each class be assigned a department of the examination, and be responsible for the work assigned, and that so far as practicable, the Visitors, or a majority of them, be re-appointed for four years.

In closing this report your Secretary begs leave to suggest the propriety of the Conference ordering that the month of December be designated for special work on each charge within the bounds of the Conference, and that special addresses be delivered and as far as possible a thorough canvass be made in order that every member of our church as well as all persons friendly to the cause of education, may have the opportunity of contributing to the endowment of the University.

Respectfully submitted,

THOS. E. CORKHILL, *Secretary.*

4. REPORT OF VISITORS TO GARRETT BIBLICAL INSTITUTE.

Your committee to visit the Garrett Biblical Institute beg leave to submit the following:

We are glad to be able to report the Institute in a prosperous condition financially and with a bright and hopeful future.

The examinations were satisfactory so far as we had opportunity to attend, they being materially interrupted by the death of the lamented Dr. Hemenway.

We most cordially recommend all young men expecting to enter the ministry to avail themselves of the great advantages of this institute, and extend to it our earnest support.

I.—FREEDMEN'S AID.

To the Members of the Iowa Annual Conference:

DEAR BRETHREN.—Your committee on Freedmen's Aid Society beg leave to report as follows:

WHEREAS, The General Conference has placed the entire work of education in the South in the hands of the Freedmen's Aid Society, and

WHEREAS, It has directed that this society shall be placed prominently before the church, to be specially remembered by our people in their thank offering during this Centennial year, and,

WHEREAS, It was directed, that an appeal be made to the whole church for a half million of dollars as a Centennial offering, therefore,

Resolved, 1st, That we recognize, more fully than ever before, the great work committed to the Freedmen's Aid Society of the M. E. Church.

Resolved, 2nd, That we endorse the action of the General Conference, to raise half a million dollars for our work in the South, and that we hereby request the Presiding Elders to apportion the amount to the several districts and charges that was apportioned to this Conference.

Resolved, 3rd, That we will devote an entire service to the presentation of this cause, and secure, if possible, 33½ cents per member in our charges, as a Centennial offering to this cause.

Resolved, 4th, That, in view of the pressing demands upon the Society, we will take this collection as early in the Conference year as the interests of the charges will permit.

J.—MEMOIRS.

To the Bishop and Members of the Iowa Annual Conference:

It is with deepest sorrow and most inexpressible grief that your committee are called upon to report the departure of

REV. BISHOP MATTHEW SIMPSON,

Senior Bishop of the M. E. Church.

Bishop Simpson was not merely a member of the M. E. Church and a recognized leader—whom many of his fellow-members delighted to imitate and follow—but he may be said to have belonged to the nation as well, for eternity alone can reveal how much this nation owes of its present life and existence to the wise counsel and statesman like efforts rendered during the dark days of the slaveholders' rebellion, when he stood as the confidential friend and adviser of the immortal Lincoln. As an administrator of discipline, while very firm, he had all the meekness and gentleness of a tender mother; as a presiding officer, his presence was always regarded as a benediction; as minister, he was a messenger sent from God; his praise was in all the church, and his name was known in all lands where our church has gone.

While God has given us many great and good Bishops—men of great piety and power—yet there has been but one Simpson; therefore,

Resolved, That in the death of Bishop Simpson the church has lost a valuable superintendent, and the nation a bright and shining light.

Resolved, That this Conference extend to the bereaved family of our beloved Bishop in their affliction our tenderest sympathy and regards.

Your committee find it to be their painful duty to report also the death of five of our fellow-laborers during the past year.

RICHARD S. ROBINSON.

One of the number, to-wit: Rev. R. S. Robinson, died at an advanced age, having served the church for many years most faithfully, and with a degree of success attained by very few ministers of the present day.

We take the following from a paper published by his son:

"Died, at his residence in Oskaloosa, Iowa, on Tuesday, May 6, 1884, Richard S. Robinson; aged 77 years, 1 month and 14 days.

"Richard S. Robinson was born on March 22, 1807, near Brownsville, Fayette county, Pa., which remained his home until after his fifteenth year. His parents subsequently went to Ohio to live, and there, under the ministry of Rev. John Baughman, of the M. E. Church, in 1827, he was converted, and joined the church. Shortly afterward he was appointed class leader, and the following year was licensed to preach. In the fall and winter of 1828 he traveled the White Water (Ind.) circuit, in the district of which Rev. Allen Wiley was presiding elder. In 1829 he was admitted as a member of the Indiana Conference, and was given a circuit, which was 600 miles in circumference, with a large number of appointments, and it required six weeks to make the circuit. The people dwelt mostly in cabins with but a single room, and many of these primitive dwellings were his preaching places. From constant exposure on long rides in all kinds of weather, hard fare, and an inordinate use of his voice, this year's work so impaired his vocal powers that they never fully recovered. He was afterwards appointed successively to the following Indiana works: Fort Wayne—then a trading post, where he often preached in the old fort—Goshen, Rising Sun, Elkhart, Logansport and Crawfordsville circuits. These appointments were followed by a year of superannuation. He was then appointed successively to Richmond, New Albany and Lawrenceburg stations, and then to Brookville, Fairfield, Mt. Vernon, Newburg and Salem circuits. At Salem he built a neat and commodious parsonage, but was not permitted to occupy it, for at the close of his year there, he was made presiding elder of the Vincennes district. In the fall of 1854, at the close of his four years' service on the Vincennes district, he was transferred to Iowa, and was stationed at Keokuk. The Indiana conference passed resolutions of regret on losing him and commended him highly to the Iowa conference. After a year at Keokuk, he was stationed at Keosauqua, going from there to Birmingham, thence to Eddyville, thence to preside as elder of the Chariton district for four years, then to Winterset in 1862, when the Iowa conference was divided and he fell into the Des Moines conference, and was stationed at Winterset. After two years of work here he was transferred back to the Iowa conference, and stationed at Oskaloosa; subsequently he traveled the Attica, Bellefountain, Oskaloosa and Hamilton circuits; then, in 1869, he was sent to Centerville station, going thence, as a supply, to Bluff Creek circuit, and later to Marysville, where his failing health forced his retirement to the superannuated list. His health has been gradually failing for four years past,

and his death was delayed to last Tuesday only by the force of his strong will. He was twice married:—in 1833, September 9th, to Miss M. M. Jackson, of Elkhart county, Ind., who died several years later; and several months after her death—in 1842, March 23rd—to Jane Taylor, the faithful companion whose loving hand and devoted care smoothed his pathway to the grave. The first union was blessed with four children, but one of whom survives,—and ten children—nine of whom still live—resulted from the latter. In his life as a minister, Father Robinson was grave and dignified, but at the same time retiring and distrustful of his abilities. In social life he was genial and sociable. Without any advantages for learning, he secured a fair English education by studying and reading while riding from one appointment to another on his circuit or district. With all the drawbacks of his want of education, and natural timidity, he was no ordinary man. As an executive, he had few superiors in the ministry; as a student, he had the faculty of weighing what he read and heard, and separating truth from error; as an instructor, he never appealed to the prejudices or passions, nor did he embellish his sermons with sallies of wit or flights of fancy. In the pulpit he was sedate, dignified, chaste and tender, always comporting with the character of his calling.

“Father Robinson’s death resulted from a complication of diseases which finally merged into consumption. For six months preceding his death he was as helpless as an infant. About the first of April he began to realize that the end was near at hand, and expressed an earnest desire to end his days in Oskaloosa. He was taken thither from Kahoka, Mo., by a son with whom he had been living, and took his bed as soon as he got home, sinking thereafter, slowly but gradually and surely, until Tuesday morning, May 6th, at 6:20 o’clock, he passed calmly and peacefully away, surrounded by his family. The funeral was held at the First M. E. Church, Oskaloosa, at 10:00 A. M., Wednesday, May 7th, Revs. F. W. Evans, Kendrick, Mark, and others conducting the services, and the remains were interred in Forest Cemetery.”

BENJ. HOLLAND.

Notice of the death of Rev. B. Holland, who died January 17th, 1883, not having appeared in the minutes of last year, is herewith reported.

The deceased was born in Harrison county, Ohio, April 11th, 1809; died at the home of his son-in-law, J. Lawson, near Batavia, Iowa, January 17th, 1883, after an illness of eight months. He was converted at a camp meeting in Ross county, Ohio, where his father then resided, in 1828, and was soon after called to the work of the ministry. March 5th, 1833, he was married to Mildred Patton, who was a help-meet indeed to him, and who survived him about eight months. The year after he was licensed to preach. He served as a local preacher nineteen years; then moved to Iowa, about the year 1844, and located in Lee county, near Ft. Madison. In 1853 he entered the Iowa Annual Conference at Oskaloosa, and remained an honored member of the same until his death. He received the following appointments: Pittsburg, Drakeville, and Troy, two years each; Indianapolis, one year; Montezuma, two years; Eddyville and Pella, one year each; Monroe, Peoria, and Martinsburg, two years each; Abingdon, Chillicothe, Independent, Batavia, and West Point, one year each. He received a superannuated relation at the session of the conference held in Bloomfield in 1874. Bro. Holland was a man of more than ordinary ability; he was accustomed to think intelligently and clearly on all subjects that engaged his attention. His sermons were thoughtful, logical, instructive, and profitable. He loved

the word of God, and made it the "man of his counsel." He was thoroughly acquainted with its teachings. The charges which he served were always built up by his ministration. He was genial and gentlemanly, and commanded the respect of all. He was a devoted husband, a loving father, and a true friend. In his religious experience he was not demonstrative, but throughout his religious life the presence of the Holy Spirit was an abiding witness. During his last sickness he exhibited the greatest patience and fortitude, longing for the hour of his departure to come. He spoke frequently of his departed friends, and of the conflicting ties drawing him now heavenward, and anon to linger still with the loved of earth. A short time before his departure, his daughter asking him concerning what message he would have her take to his absent friends, he said, "I want to send them my last testimony as to the necessity of purity of heart." His room was always a scene of rejoicing. At times while singing and shouting the praises of God his countenance would beam with joy. So the servant of God went to his well-earned rest. His funeral was held in the First M. E. Church, at Ottumwa. His body rests in the beautiful cemetery in that city.

MRS. MILDRED HOLLAND.

Mrs. Mildred Holland, wife of Rev. Benjamin Holland, of the Iowa Conference, died in Batavia, Iowa, Oct. 11th, 1883. Her maiden name was Patton. She married Rev. Benj. Holland, March 5th, 1833, and shared with him the labors, hardships and victories of the itinerant for nearly thirty years. Sister Holland was a model Methodist minister's wife. Possessed of an equable temper, and cheerful nature, she was always looking on the bright side of everything. She made their home a haven of rest to her weary and anxious husband after his return from long, tiresome journeys, of ministering to large and difficult circuits, and did everything to enable him to pursue his work unhindered. She was to her children all the word mother implies. One of her sons said on the day of her funeral: "I never knew my mother to speak a cross word, or to grow weary in caring for her family." She did her work well, and in eternity, her children whom she reared with such care and conscientious honesty, will rise up and call her blessed. Gentle, forbearing, always faithful, saying but little, but by her life and example always pointing to Christ as the source of her strength. Her devotion to her aged husband during his long and painful illness won the admiration of all. His death seemed to sever the last tie that held her to earth. She was stricken with paralysis a few days after his death. She had no desire to recover. Mr. and Mrs. Holland "were lovely and pleasant in their lives, and in death they were not divided."

MRS. ELIZABETH CLARK.

Mrs. Elizabeth Clark was born in Hagerstown Md., Sept. 4, 1805; was converted and joined the M. E. Church, Sept. 28, 1823; was married to Rev. Samuel Clark, of the Baltimore Conference, Oct. 9, 1824; moved to Ohio in 1833, and came to Iowa in 1841. Her husband was an able and faithful minister. He was once sent by the Baltimore Conference to the General Conference, and twice by the Ohio Conference. In Iowa he filled some of the most important charges, and died while in the regular work as pastor of the Birmingham circuit. After his death Sister Clark for several years resided on a farm near Lebanon, in Van Buren county, which Bro. Clark purchased soon after coming to the State. When her children had grown up, married and provided homes for themselves, she made her home with her youngest son, Mr. Samuel Clark, of Keokuk. A short time since she came to

Oskaloosa to visit her oldest living son, Geo. H. Clark, a superannuated member of the Iowa Conference. For several years she had been in feeble health, and soon after coming to visit her son she was stricken down, and on Sept. 19th. passed away to her home beyond the skies. Sister Clark was a true and noble Christian woman, encouraging and aiding her husband, while he lived, in his work of the ministry, filling all the relations she was called on to sustain to her family, the Church and society, with great Christian zeal and fidelity. She was respected and appreciated by all who knew her. Her's was a life of devotion to God, usefulness to others, and honor to the Master. She has passed away from the feebleness and weariness of the flesh on earth, to the strength and eternal freshness of the spirit in heaven.

MRS. EMMA A. WYCOFF.

Emma Allen Wycoff died at Nora, Ill., March 1st, 1884, in the 27th year of her age.

When about nine years old she joined the Methodist Episcopal Church, and from that time forward, as long as she lived, was an active and efficient laborer in the Master's vineyard. She was the daughter of Mrs. Jane Allen, of Mt. Pleasant, Iowa, where she lived most of her life.

After passing through a course of study in the High School, she entered the Iowa Wesleyan University, and completed a classical course, graduating in June, 1877.

In the autumn of 1880 she was married to Rev. H. E. Wycoff, of the Iowa Conference, and after working with him in his charges until the autumn of 1883, they went together to the Garrett Biblical Institute.

It is common for the students in this institution to have preaching appointments in the outlying country. They had just closed a meeting at one of his appointments, in which some fifty persons were converted, when she was stricken with fever and died.

Without the exact figures it is probably safe to say that she and her husband saw more people saved during the brief time they wrought together than any other family of the Iowa Conference in the same length of time for many years past.

To this success she was a great contributor. In the first place, her christian life was so beautiful and attractive that whoever knew her longed to know Him who was able to make her life so bright. Her very face seemed to keep on saying to all in her presence, in a hopeful sort of way: "There's a wideness in God's mercy like the wideness of the sea;" and as they did of Peter and John—so long ago—so her acquaintances "took knowledge of her that she had been with Jesus."

In addition to her attractive character and her gracious attainments, she was possessed of more than ordinary intellectual ability. In public prayer, she was peculiarly gifted; in exhortation, she was strong and convincing; and only in eternity can we know how much richer the church is and how much richer Heaven will be because in God's good providence she was permitted to live and labor.

Our friend, our sister, our fellow-worker, has been called out of the vineyard while it was yet morning with her. We would not have planned it so, but we know that "He doeth all things well." Certainly her place will be hard to fill. Her mother mourns her daughter; her husband, his wife; her child, its mother; and the church, one of its most devoted servants. But her memory is blessed, and

"We know she hath gone where her forehead is starr'd
 "With the beauty that dwelt in her soul;
 "Where the light of her loveliness cannot be marr'd
 "Nor the heart be flung back from its goal.

All of which is respectfully submitted.

L.—PERIODICALS.

REPORT NO. 1.

1. We are as much as ever convinced of the need of a liberal circulation of pure literature.

2. While it is necessary that our people patronize our local papers we will discountenance any which are unchristian in spirit or immoral in tone, and will utilize the local press for the circulation of religious and ecclesiastical information.

3. It is the duty as well as a privilege of every Methodist to be informed in reference to the interest of the church of his choice, hence we will renew our effort to place one of our Advocates in every family under our pastoral care.

4. We congratulate the church as well as Dr. Frey on his re-election to the editorial chair of the Central Christian Advocate which paper we especially endorse and heartily commend to the patronage of our people.

REPORT NO. 2.

The paper with reference to the consolidation of periodical interests, has been candidly considered, and we would recommend as a substitute, that we have confidence in the judgment and business capacity of the Agents and Book Committees and will leave the whole subject in their hands.

M.—PERNICIOUS LITERATURE.

To the Bishop and Members of the Iowa Conference:

DEAR FATHERS AND BRETHREN:—Your memorial to the Twentieth General Assembly of Iowa, praying for the passage of a law for the suppression of corrupting publications was duly presented to that body by your committee appointed for that purpose; but in default of concurrent action, in effective form, by the other M. E. Annual Conferences of Iowa, and in default of any active co-operation on the part of other denominations in the state, the proposed bill failed of passage simply through want of expressed interest in the enactment of such a law.

Your committee therefore beg leave respectfully to offer the following for your consideration and for such action as in your wisdom you shall deem best:

WHEREAS, A bill to protect the boys and girls of Iowa from the corrupting influence of vile emanations of the Satanic press, was presented to the Twentieth General Assembly, and went by default for want of the moral pressure of active interest on the part of Christian citizens; and

WHEREAS, The Executive Committee of the State S. S. Association are constituted, by the action of that Association, an undenominational State Central Committee for the carrying forward the reform so vital to the moral purity of the youth of our commonwealth; therefore,

Resolved, That we will heartily co-operate, as opportunity shall offer, with the State Central Committee of the Iowa S. S. Association in its important work.

THOS. E. CORKHILL,	} Committee.
I. P. TETER,	
C. F. WILLIAMS,	

N.—PRISONERS AID.

WHEREAS, between five and six hundred ex-convicts are annually discharged from the prisons of our state, penniless and friendless, to find almost every avenue to the earnings of an honest livelihood closed against them, and hitherto with no hand of welcome extended to them except by the degraded and vicious; and

WHEREAS, the state has at length recognized its duty to these its wards, and has provided for an agent charged with securing employment for convicts so discharged; and

WHEREAS, the hundreds of men for whom employment has already been secured, have, almost without exception, remained at their work, and so proved the sincerity of their purpose to reform, therefore,

Resolved, that in the Prisoners Aid Association of Iowa we recognize an important and successful agency, and that to its Managing Secretary, Rev. Asa Sleethe, we will give, as opportunity shall offer, our hearty co-operation in his humane and christian work.

O.—ROMAN CATHOLIC MISSIONS.

To the General Missionary Committee of the M. E. Church:

DEAR FATHERS AND BRETHREN:—For many years there has been an increasing interest in the Iowa Conference in the subject of Mission work among the Roman Catholics of this country, created by our brother, Rev. Dr. D. Murphy, which interest is evidenced in the following ways:

1st. In the passage of the following resolution at the session of the Conference, held in Knoxville in 1881, viz:

“Resolved, That the Iowa Conference respectfully requests the General Committee on Missions to consider the propriety of making provision to send missionaries among the Catholic populations of this country.”

2nd. In the co-ordination of such a mission with the cause of education and other centennial objects by our Conference as set forth in the following, to wit: “In pursuance of previous action of this Conference, we would recommend that among the objects for benevolence, be the creation of a fund for establishing in this country, missions among the English speaking Roman Catholics.”—(Page 215, Minutes of 1883.)

Furthermore, the last General Conference adopted a report of the Committee on Missions looking to the immediate creation of such a mission.

Finally, the Iowa Conference, at its session held in Ottumwa, Sept. 3-8, 1884, appointed us a committee to set forth to you these facts, and memorialize your honorable body to institute such a mission immediately.

We recommend to your body our Brother, Rev. D. Murphy, Ph. D., Presiding Elder of the Oskaloosa District, of our Conference, as a man eminently qualified for this work, being himself a convert from Romanism; a man of culture; and has been principal agent in creating whatever sentiment there is in the Church upon this subject.

We therefore respectfully request you to invite him before your body, that you may hear his plans and reasons for such work.

Hoping that you will grant the prayer of our memorial, we will ever remain your brethren in the bonds of missionary labor, and in your efforts to spread scriptural holiness over all lands.

P.—SABBATH OBSERVANCE.

WHEREAS, Sabbath desecration is on the increase, in secular, social and religious life, instanced in the carrying on of public works, picnics and excursions to religious resorts; therefore,

Resolved, That all the pastors be requested to preach a special sermon on the sanctity of the Sabbath, on or before the first Sabbath in November, 1884.

Resolved, That the committee on Tracts in the respective charges be supplied with tracts on the observance of the Sabbath, for general distribution.

Resolved, That we will discourage our people from unnecessary Sabbath traveling both by precept and example.

Resolved, That we will discourage the holding of Sunday Camp Meetings, unless the gates are closed against excursions on the Sabbath day.

I. O. KEMBLE, *Secretary*.

Q.—STATE OF THE CHURCH.

Judging from the reports of the Presiding Elders and pastors in open Conference, as well as from other sources, we are impressed that the Church in our bounds is in a healthy condition. When we take into the account the financial condition of the country in which our work lies, we can but feel that every interest of the Church has been as well maintained as we could expect. The pastors and their families have, as a rule, received a "comfortable support." All the benevolent enterprises of the Church have been looked after by the preachers and people, with increasing faithfulness and success, while Church and parsonage building and improvements have kept pace with the more favored sections of the country.

During the past year an unusual number of our members have been dismissed from our Church by letter—going in search of homes in other sections of the country; but we are gratified to know that an unusual number have been converted and brought into the Church, to take their places, so that our numbers are not greatly changed. With returning prosperity to the country indicated by the bountiful harvests of the present year, and the good effects of the prohibition of the manufacture, sale and use of intoxicating liquors, wherever the law is put in force throughout the State, the outlook for the Church in the bounds of our Conference was never so hopeful as it is now.

While we are glad to be able to say these good and hopeful things concerning the state of the Church, we are not blind to the fact that many things might be greatly improved. Many of our people are not so familiar with the history, polity and literature of our Church as they should be, or as is consistent with the love of, and loyalty to the Church, and the field of our endeavor for God and humanity through life. As pastors, if we would turn the thoughts of our people more toward this subject, we would be doing them and the world a great service.

The social means of grace, distinctive and peculiar to us, it is to be feared, are not prized, nor attended by our people, as their religious development, spirituality and knowledge in the deep things of God require. No better service can be bestowed by the pastors and leaders in the church, than to make the love feasts and class meetings so spiritual and powerful that our people cannot stay away. Every pastor in our church no doubt is beginning to realize how difficult it is, in the presence of sister churches who have a feeble testimony or no testimony at all, against those "diversions" which we as a people claim "cannot be taken in the name of the Lord Jesus," such as dancing, card playing, theatre-going, &c., to hold our young people, and even some of our older people, loyal to, and in love with our denomination. As a remedy for this evil nothing is so potent as heartfelt religion—a religious experience which we should urge all our people to seek, so satisfying as to make all these amusements disgusting and insipid.

It is alleged that a failure upon the part of our preachers to press the doctrine and privilege of the believer, "to go on to perfection," has been made the occasion of organizing societies and associations for the promotion of this one phase of christian experience, which, in some instances it is to be feared, has not been productive of the best results. Whether this allegation is true or false, we know that if we will preach the whole gospel as held and taught in the standards of our church, any reasonable man will see that he need not go out of the Methodist Episcopal Church to enjoy the blessing of perfect love, and that it is a wicked thing to rend the body of Christ about a matter, which, in its very nature, binds together and unifies the whole church, of which Christ is the head.

That God would make us a thousand times more than we are. is the prayer of your committee.

J. A. BOATMAN,
D. C. BEVAN.

R.—STATE OF THE COUNTRY.

Your Committee on the State of the Country respectfully report the following:

WHEREAS, The bright and boundless sky of our national hope is not without clouds, and whereas the evident progress of good is resisted by all the sin of earth and by all the subtilty of hell; and

WHEREAS, We have fallen upon times that shall try men's souls—times when the forces of good and evil are confronting each other, in an antagonism more pronounced than ever before, on the battle ground of our national domain, and are engaged in mortal combat; and

WHEREAS, An in-coming flood of Godless Materialism, of Christless Aestheticism, of lawless Socialism, of conscienceless Political Ambition, of heartless Covetousness and reckless Extravagance—a blended tide of evil, the more dangerous in proportion as it is insidious—is threatening to sweep away those bulwarks of our civilization—the Christian Sabbath and the Christian Home—and to undermine Christian faith and personal integrity, and thus destroy the very foundations of our national greatness; therefore,

Resolved, 1st, That since political parties are beginning to take sides upon moral issues, we will not be deterred by the cry of "preaching politics" from doing our duty, whether as teachers of the people or in our personal political action, but wherever such moral issues are involved, we will do with our might whatsoever our hand findeth to do to secure the triumph of right.

Resolved, 2nd, That as citizens of Iowa we render devout thanksgiving to Almighty God for the passage of the Prohibitory Law, and the law for the suppression of Prostitution, and we will endeavor, God being our helper, to express our gratitude in courageous and persistent efforts to secure the enforcement of these laws,—feeling it to be our bounden duty to wage war—both offensive and defensive—against all that wars against the *Home*.

H. E. WING, *Chairman*.
C. F. WILLIAMS, *Secretary*.
